We ask that you read this cookie policy carefully as it contains important information on and our use of cookies on our website.

### What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by online service providers to help build a profile of users. - **Performance cookies**—these cookies collect information about how you use our website, eg which pages you go to most often. These cookies do not collect personally identifiable information about you. All information collected by these cookies is aggregated and anonymous, and is only used to improve how our website works
