School statement on bullying

This school is a place where everyone has the right to be themselves. It's a place where everyone can feel safe, be happy and learn. Everyone at our school is included and acts with respect and kindness towards each other. Our school takes bullying very seriously.

What is bullying?

Bullying is when a person is hurtful or unkind to someone else on purpose and usually more than once. Bullying can be done by one person or by a group of people. A useful way to remember bullying is SEVERAL TIMES ON PURPOSE (AND HURTFUL!)

Bullying can be:

- Hitting or saying you are going to hit someone.
- Touching someone when they don't want you to
- Calling someone names, teasing, using rude language or saying nasty things about someone to them or other people
- Stealing or damaging someone else's belongings
- Ignoring someone on purpose or leaving them out
- Sending hurtful or unkind texts, emails or online messages to someone or about someone
- Online Chats

Bullying can be about:

- Special educational needs or disability bullying
- What someone looks like
- Where someone lives or who they live with
- Race or ethnicity (racist bullying)
- Religion or belief
- Family and culture

- Sexist bullying
- Homophobic bullying

Although bullying doesn't happen very much at this school it might happen. Pupils who bully can be older, younger, bigger, smaller than you. Pupils who bully pick on people who may be different in some way and try to make them feel worse about themselves. If you are being bullied remember that it is never your fault.

If Someone is being hurtful or unkind to you several time on purpose, for whatever reason, whether it is about you or your family or friends, that is bullying. No one should be picked on for being different in any way, for how they act, what they look like or who their family are.

Where does bullying happen?

Bullying can happen at school, after school and online.

What should I do if I think someone is being bullied?

In our school we all take responsibility in keeping each other safe. It is never OK to see someone being bullied and do nothing. You can tell people to stop, or you can tell an adult about what has happened. If you think someone is being bullied then talk to the person, ask if they're ok and ask if you can help them talk to a teacher or an adult they trust.

What should I do if I'm being bullied?

If you are being bullied it is important to tell someone you trust. Tell an adult or friend, either at school or at home. If you have already told an adult about bullying you can still tell them again.

You can:

- Tell a teacher — your class teacher or any other teacher.
- Tell a friend you trust.
- Tell any other adult staff in school — such as Learning Support Officers, Lunch Time Supervisors or an Admin Officer
- Tell an adult at home, such as your parent
- You can also write a note about the bullying and leave it for a trusted adult
- You can also call Childline at any time for free on 0800 1111

If you tell a teacher or adult at school, they will be able to help you. They will tell the headteacher and your parent or carer so that they can help you. Telling an adult will never make bullying worse. They will talk to you and the people bullying to find ways to stop the bullying and keep you safe,
